

Sri Sivasubramaniya Nadar College of Engineering

(An Autonomous Institution, Affiliated to Anna University, Chennai)

Department of Computer Science and Engineering

Degree & Branch	Five Year Integrated M.Tech (CSE)			Semester	V
Subject Code & Name	ICS1511---Web Application Development Laboratory				
Assignment - 1	Mini Project: College Symposium Website using HTML alone				
Academic Year	2026-2027 ODD	Batch	2024-2029	Regulations – R2023	
Name: Sharruk S	Register Number: 3122247001061			Date:10/7/2026	

Mini Project: College Symposium Website using HTML alone

Scenario

Your college is organizing a national-level technical symposium called "**TechNova 2026**". The organizing committee wants a website to provide information about the event, showcase competitions, display schedules, and allow students to register online.

Design and develop a **website using only HTML and CSS**.

Website Structure

Page 1: Home (index.html)

Purpose

Welcome visitors and provide an overview of the symposium.

Content

- College logo
- Symposium banner image
- Symposium name: **TechNova 2026**
- Theme of the event
- Date and venue
- Brief introduction
- Navigation menu to all pages
- Highlights section
 - 500+ Participants
 - 15 Events
 - Cash Prizes

Winner	Rs. 2500 + Certificate
Runner Up	Rs. 1200 + Certificate

Event 3: Treasure Hunt

Description: Follow the clues, solve puzzles, and find the hidden treasure around the college campus. The team that reaches the final clue first wins!

Rules:

- Team size: 3 to 4 members.
- All team members must be present throughout the hunt.
- Clues must not be shared with other teams.
- Destroying or hiding clues will result in disqualification.
- Duration: Approximately 1.5 hours.

Registration Fee: Rs. 100 per team.

Prize Information:

Position	Prize

For queries: technova2026@ssn.edu.in

Learning Outcomes:

- Developed a multi-page website using basic HTML elements and semantic tags.
- Created navigation, tables, forms, images, and hyperlinks to build a complete website.
- Applied HTML to organize and present symposium information in a structured format.
- Gained practical experience in designing a simple static website for a real-world college event.
